

Home Care Services

Checklist

GENERAL QUESTIONS

- How long have you been in business?
- What makes you different than the others?
- How many caregivers do you currently have?
- How often do your caregivers complete training? By who?
- Are you licensed and insured?
- Who do we talk to after hours regarding urgent issues?
- How do your hours work? Is there a minimum each week?
- Will the same caregiver come or different ones each week?
- What background protocols do you have in place for your caregivers?
